

## Sausage and Cheese Stuffed French Toast

### Ingredients:

Sausage fried and crumbled  
Loaf of Italian Bread or French Bread  
Shredded cheddar cheese  
Scrambled eggs, optional  
2 eggs, beaten  
1 C. milk

Directions: Make  $\frac{3}{4}$  in. slices of bread without cutting through the whole loaf. You want to create “break pockets” that will be easy to fill. Assemble “sandwiches” by placing crumbled sausage and shredded cheese in your bread pockets. Mix beaten eggs and milk together. Dip assembled sandwiches in milk mixture and fry like regular French toast. Fry till both sides are golden brown.

\*You can also spread bread pocket with cream cheese and fill with frozen/fresh blueberries. Dip in egg mixture and fry till golden brown. This is delicious topped with maple syrup.
